MOTIVATION COMMITMENT SUCCESS

"BUILDING MAGDALEN'S FUTURE"

April 2018

Dear Parents and Carers,

We are writing to you on behalf of the Friends of Magdalen College School to announce the exciting new plans for your school. We are supporting the school's project to improve our Community Astro Sports Facility by replacing the Astro surface. The Astro pitch is used by the school during lessons, at lunchtime and for after school activities, as well as by a number of community groups in the evening. The cost of this project is approx £160,000. The Friends of Magdalen College School would like to aid this process, and we will be holding several small fundraising events such as gin and wine tasting evenings, a shopping evening and stalls at fayres throughout the years (look out for emails for details of upcoming events), which we will appreciate your support with, and holding some bi-annual larger events to encompass our current students right through to our oldest Alumni. **We are also now asking parents to consider a donation to the campaign, if they are able, a suggested minimum of £10 per family either as a one off donation or a regular contribution (but you are very welcome to donate any contribution you wish).**

We know that many of you would like to be able to help us offer more events at school to raise money but time is a big factor for most families, and this may be a much easier method for you to support the school, as this will help us raise a considerable amount of money each academic year to support the Schools development.

Donations can be made by completing the Donation Form attached. If you are a UK tax payer please consider completing the Gift Aid Declaration to allow us to reclaim the tax you would paid. This is at no extra cost to yourself and will increase your donation by up to 25%.

We will also continue to support funding for the Duke of Edinburgh scheme, provide vouchers for end of year achievements and fund projects such as providing outside covered areas. We are going to have a target thermometer within school, noted on Facebook and available at key events so we can all see how we are progressing. We will be working closely with Mrs Creasey, the Schools Business Director. As you will appreciate this is going to be an ongoing fundraising task for the school from year to year as we grow our ideas so we can help the school create a modern learning environment for our children in years to come.

We would like to thank you for all the support that you already offer to the school, and hope that you feel able to continue the support through this method as well.

With Kindest Regards

Michelle Dykes & Sally Holmes
